	Q & A
	Closing

VUMC Speakers: Prof Ben Slotman Prof Suresh Senan Dr Wilko Verbakel

As part of the Singapore Radiological Society's 21st Annual Scientific Meeting (ASM), we are pleased to announce that the team from VU University Medical Centre will be specially invited to speak on their experience with Lung SBRT. This state of the art symposium covers the essential components of a clinical SBRT programme, allows you to discuss cases with the distinguished faculty and to network with eminent radiation oncologists from the region.

SEAROG members will pay the membership rate of SGD150 for the day registration for the symposium or SGD250 for the 2 day ASM (inclusive of symposium). SEAROG Radiographers, dosimetrists and physicists can also pay the membership rate of SGD80 for the day or SGD120 for the 2 days.
